

SIGNING COVER SHEET

Feuille de route — signature

QUIETLY × JULIA · WEDNESDAY 2026-04-22

This sheet is for the signing meeting — it tells you which document applies, where signatures and initials go, and what each party keeps afterward. Not itself a contract.

Before the meeting: make sure Julia has read the *Onboarding Explainer* (separate PDF). It's a plain-language walkthrough of every document in this package and what the "Privacy Officer" role means under Law 25. Sharing it 24–48h before signing shortens the meeting and reduces back-and-forth.

Step 1 — Choose ONE Service Agreement version before signing

Version A (Corporate): signed by *Gestion Julia Gold Inc.* — recommended. Julia signs as authorized representative of her corporation. Cleaner for taxes, liability, and future invoicing (GST/QST will go to the corp if registered later).

Version B (Personal): signed by *Julia Shovgenyuk personally*. Use only if there is a specific reason not to contract through Gestion Julia Gold Inc. (e.g., personal assets held separately, she prefers not to involve the corporation, etc.).

The unsigned version is filed unsigned. Do not sign both.

STEP 2 — WHAT TO SIGN AND WHAT TO DO WITH IT

1

Service Agreement (chosen version)

The main contract: scope, fees (\$497/mo), data processing (Law 25), AI disclaimer, liability, IP, confidentiality, subprocessors, service levels. Bilingual EN | FR in one document.

Action: both parties sign the signature block on the last page. Julia also initials the AI Disclaimer box on page ~3 (Section 3).

2

Tenant Privacy Policy — Gestion Julia Gold Inc.

Julia's compliance document under Law 25 (she is the data controller for her tenants). Describes what info is collected, how it's used, who has access, tenant rights. Bilingual.

Action: Julia keeps this on file. She does not sign it. Shows it to any tenant who asks. A copy should be linked from any tenant-facing portal or handed over at lease signing.

3

Onboarding Explainer / Guide d'intégration

Plain-language walkthrough of the whole package + an explanation of the Privacy Officer role under Quebec Law 25. Bilingual, 6 pages. Reference material only.

Action: send to Julia 24–48h before the meeting. Not signed. Keep for reference.
